

UNITED STATES DISTRICT COURT FOR THE  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

UNITED STATES OF AMERICA,

Plaintiff,

v.

APPROXIMATELY 74,000 ITEMS OF  
STOLEN MERCHANDISE,

Defendants.

NO. CV24-675

**VERIFIED COMPLAINT  
FOR FORFEITURE *IN REM***

COMES NOW the United States, by and through its undersigned counsel, and  
alleges:

**I. NATURE OF THE ACTION**

1. This is a civil action *in rem*, brought to enforce the provision of 18 U.S.C.  
§ 981(a)(1)(C) for forfeiture of property that constitutes or is derived from proceeds of  
Sale or Receipt of Stolen Property and Interstate Transportation of Stolen Property,  
which are offenses that constitute “specified unlawful activity” pursuant to 18 U.S.C.  
§§ 1956(c)(7)(D) and 1961(1)(B).

**II. PLAINTIFF AND DEFENDANT *IN REM***

2. The plaintiff is the United States of America (the “Plaintiff” or “Government” or “United States”).

3. The defendant consists of approximately 74,000 items of stolen merchandise, seized on or about December 19, 2023 from the following locations (collectively, “the Defendant Property”):

a. a “We Buy Gold, Silver, and Electronics” storefront located at 13622 1st Avenue South, Burien, Washington (the “Storefront”), an inventory for which is appended as Attachment A;

Front of Storefront

b. an adjacent commercial warehouse located at 13620 1st Avenue South, Burien, Washington (the “Warehouse”), an inventory for which is appended as Attachment B; and

Back of Storefront and Front of Warehouse

1 c. a residence located at 183 SW 359th Place, Federal Way,  
2 Washington (the “Federal Way Residence”), an inventory for which is appended as  
3 Attachment C.

4 4. Pursuant to search and seizure warrants issued in the Western District of  
5 Washington, Cause No. MJ23-596, and executed on December 19, 2023, the U.S.  
6 Department of Homeland Security Investigations, U.S. Department of Customs and  
7 Border Protection, seized the Defendant Property and it remains in that agency’s custody.

### 8 III. JURISDICTION AND VENUE

9 5. This Court has jurisdiction over an action commenced by the United States  
10 under 28 U.S.C. § 1345 and has jurisdiction over an action for forfeiture under  
11 28 U.S.C. § 1355(a) and (b).

12 6. Venue is proper in this district pursuant to 28 U.S.C. § 1355(b)(1)(A)  
13 because the acts or omissions giving rise to the forfeiture occurred in this district.

14 7. Pursuant to 18 U.S.C. § 981(f), all right, title, and interest in the  
15 Defendant Property vests in the United States at the time of the acts giving rise to the  
16 forfeiture.

17 8. Pursuant to Supplemental Rule G(2)(f), facts in support of a reasonable  
18 belief that the United States will be able to meet its burden of proof at trial are as follows  
19 and have been verified by the attached Verification of Department of Homeland Security  
20 Investigations (HSI), Task Force Officer (TFO) Detective Christopher Myers.

21 9. As provided in Supplemental Rule G(3)(b)(i), the Clerk of Court is required  
22 to issue a warrant to arrest the Defendant Property if it is in the government’s possession,  
23 custody, or control. As such, the Court will have *in rem* jurisdiction over the Defendant  
24 Property when the accompanying Warrant of Arrest *In Rem* is issued, executed, and  
25 returned to the Court.

#### IV. SUMMARY OF BASES FOR FORFEITURE

10. The United States alleges that the Defendant Property is fruits of an organized retail theft operation and constitutes, or is derived from, proceeds of the Sale or Receipt of Stolen Property, in violation of 18 U.S.C. § 2315, and Interstate Transportation of Stolen Property, in violation of 18 U.S.C. § 2314. The Defendant Property, therefore, is subject to forfeiture pursuant to 18 U.S.C. § 981(a)(1)(C).

11. Using a scheme that involved purchasing property that they knew was stolen, selling the stolen property on eBay and Amazon, and shipping the stolen property to buyers outside of the state of Washington, using the U.S. mail and private carriers, Vitaliy Bobak (Bobak), Andrey Balun (Balun), and others known and unknown, committed the offenses of Sale or Receipt of Stolen Property and Interstate Transportation of Stolen Property.

12. Bobak, Balun, and others known and unknown, used proceeds from these offenses to purchase additional stolen merchandise they intended to sell on eBay and Amazon.

13. The Defendant Property consists of stolen merchandise that had not yet been shipped to buyers, which was seized from Bobak's Federal Way Residence, as well as from the Storefront and adjacent Warehouse used by Bobak and Balun to facilitate these offenses.

#### V. PURPOSE OF FORFEITURE

14. The purpose of this forfeiture action *in rem* is two-fold. First, forfeiture of the Defendant Property provides a means for the United States to help victims of these offenses. Second, forfeiture deters criminal activity by forfeiting and vesting title of the Defendant Property with the United States so that criminals do not maintain the fruits of crime.

15. Pursuant to 18 U.S.C. § 2315, it is unlawful to “receive[], possess[], conceal[], store[], barter[], sell[], or dispose[] of goods, wares, merchandise, securities, or money having the value of \$5,000 or more, which have crossed a state or United States boundary after being stolen, unlawfully converted or taken, knowing the same to have been stolen, converted or taken. . . .”

16. Pursuant to 18 U.S.C. § 2314, it is unlawful to “transport[], transmit[], or transfer[] in interstate commerce any goods, wares, merchandise, securities, or money, of the value of \$5,000 or more, knowing the same to have been stolen, converted or taken by fraud. . . .”

17. Pursuant to 18 U.S.C. § 981(a)(1)(C), “[a]ny property, real or personal, which constitutes or is derived from proceeds traceable to a violation of . . . any offense constituting a ‘specified unlawful activity’ (as defined in section 1956(c)(7) of this title), or a conspiracy to commit such offense” is subject to forfeiture to the United States.

18. Pursuant to 18 U.S.C. § 1956(c)(7)(D) and 18 U.S.C. § 1961(1)(B), the offenses of Sale or Receipt of Stolen Goods and Interstate Transportation of Stolen Property, in violation of 18 U.S.C. §§ 2314 and 2315, constitute specific unlawful activity.

## VII. DESCRIPTION OF ORGANIZED RETAIL THEFT OPERATION

19. Bobak, Balun, and others purchased merchandise they knew to be stolen from drugstores and retailers such as Target, Walmart, CVS, Ulta, Walgreens, Best Buy, Vons, Rite Aid, and Pet Smart. They met “customers,” who brought the stolen merchandise to them for sale, at the Storefront.

20. Bobak, Balun, and others used the adjacent Warehouse as a storage and distribution center for the stolen merchandise they purchased at the Storefront, pending sale on eBay and Amazon Marketplace, and shipment to purchasers.

1           21. Bobak, Balun, and others shipped the stolen merchandise from the  
2 Storefront, the Warehouse, and from the Federal Way Residence.

3           22. Investigators acting in an undercover capacity conducted controlled sales of  
4 products they represented as stolen to Bobak at the Storefront on numerous occasions and  
5 have subsequently purchased the same products from the eBay (abestore555) and  
6 Amazon Marketplace (Medikus) storefronts operated by Bobak and Balun.

7           23. Parcels fulfilling orders placed on both the eBay and Amazon Marketplace  
8 platforms were mailed from the Storefront, the Warehouse, and the Federal Way  
9 Residence.

10 **A. *The Storefront and Warehouse***

11           24. Bobak staffed the Storefront on a daily basis during the weekdays and  
12 parked behind the building.

13           25. Balun also came to the Storefront but was not there on a daily basis.

14           26. The Storefront was generally open to receive “customers” between 2:00  
15 p.m. and 6:00 p.m.

16           27. Only one “customer” at a time was permitted to enter the Storefront.

17           28. The Storefront displayed no items for purchase.

18           29. Bobak informed “customers” that they had no property for sale and were  
19 strictly buying items.

20           30. “Customers” entered the Storefront carrying boxes and bags of stolen  
21 property and left with cash.

22           31. When “customers” brought stolen merchandise into the Storefront with  
23 anti-theft deterrent devices still on them, Bobak would direct the “customer” to remove  
24 those devices from the items before Bobak bought them.

25           32. On at least one occasion, Bobak purchased OTC products bearing CVS  
26 stickers that read, “Intended for sale at CVS Pharmacy. If found elsewhere, call 866-439-  
27 8724.”

1           33. On at least one occasion, Bobak brought out a heat gun and told the  
2 “customer” how to use it to remove security stickers from the stolen merchandise. Bobak  
3 explained that heat guns could be purchased at any smoke shop.

4           34. “Customers” made statements to Bobak indicating the items they brought to  
5 the Storefront were stolen, such as saying that a friend “borrowed it out the back door for  
6 me” or “has a habit of taking things that don’t really belong to him,” and “you said you  
7 liked the big packs so I boosted a bunch of the bigger ones for ya.” “Boost” is a street  
8 term for stealing or shoplifting.

9           35. On at least one occasion, a “customer” showed Bobak anti-theft deterrents  
10 and told him that they “remembered to take this off this time for ya,” after which Bobak  
11 purchased the items.

12           36. Bobak told “customers” that he paid less for “open box” items than ones  
13 still in the original retail packaging.

14           37. After meeting with “customers,” Bobak often left the Storefront through the  
15 back door and walked to the adjacent Warehouse, where he used a remote control to open  
16 a rolltop door. Bobak used pushcarts and plastic totes to move stolen merchandise from  
17 the Storefront to the Warehouse.

18           38. The stolen merchandise purchased at the Storefront was not reported to the  
19 state of Washington, as required for legitimate pawnbrokers and secondhand dealers  
20 under Revised Code of Washington 19.60 and the associated regulations.

21 ***B. Sale of Stolen Merchandise on eBay***

22           39. Bobak operated an online store on eBay using the moniker “abystore555.”

23           40. Abystore555’s registered address is the Federal Way Residence, where  
24 Bobak lives.

25           41. Abystore555 was not a legitimate resell business on eBay. Instead, Bobak  
26 used the online platform to sell stolen property and ship that stolen property across the  
27 country and beyond.

42. Abcstore555 had no sources of inventory other than the stolen merchandise Bobak and Balun purchased at the Storefront.

43. Abcstore555 conducted approximately 74,291 sale transactions between January 1, 2022 and June 16, 2023, totaling approximately \$2,425,049.10.

44. Abcstore555 sold large quantities of over-the-counter (OTC) medications, supplements, health and beauty products, and some electronics and tools.

45. Abcstore555 advertised and sold products with stock keeping units (SKUs) that have been traced back to CVS, Walmart, Target, Ulta, Walgreens, Best Buy, Vons, Rite Aid, and Pet Smart.

46. Neither abcstore555, nor Bobak or Balun, were authorized resellers of the items sold on the abcstore555 eBay platform.

47. Abcstore555 shipped these items to destinations across the United States, as well as to international destinations, including Norway, Mexico, Sweden, Denmark, the United Kingdom, Australia, and Israel. Abcstore555's top outbound shipments of products from Washington state were to buyers in Virginia, Florida, and New Jersey.

48. Abcstore555 did not purchase inventory for resale from other eBay sellers. The primary items that abcstore555 purchased on eBay were items indicative of operating an ecommerce business, such as packing material, locks, a face/fingerprint attendance time clock, prepaid cell phones, and door/perimeter motion alarms. Between March 14, 2022 and September 13, 2023, Bobak received 148 shipments to the Federal Way Residence, most of which were from shipping and package supply retailers.

49. Bobak received payment from eBay for the stolen merchandise sold on abcstore555 to various bank accounts he controlled, then distributed some of those funds to Balun.

50. The payments from eBay for sale of the stolen merchandise by abcstore555 were proceeds of the stolen property offenses or funds derived from proceeds of the stolen property offenses.

1           51. Bobak and Balun used the proceeds they received from the eBay  
2 abcestore555 platform to purchase additional stolen merchandise to continue their criminal  
3 enterprise.

4 ***C. Sale of Stolen Merchandise on Amazon Marketplace***

5           52. Balun operated an ecommerce store, “Medikus,” on the Amazon  
6 Marketplace platform.

7           53. The Medikus Amazon Marketplace account was registered to Andrey  
8 Balun.

9           54. Medikus was not a legitimate resell business on Amazon Marketplace.  
10 Instead, Balun used the online platform to sell stolen property purchased at the Storefront  
11 and ship that stolen property across the country and beyond.

12           55. Medikus primarily sold health and beauty products, over-the-counter  
13 medicines, and supplements commonly sold at major retail stores.

14           56. The Medikus Amazon Marketplace store conducted more than 64,152  
15 online sale transactions, totaling more than 1.3 million dollars, between January 1, 2022  
16 and December 21, 2023.

17           57. Neither Medikus, nor Bobak or Balun, were authorized resellers of the  
18 items sold on the Medikus Amazon Marketplace platform.

19           58. Balun received payment from Amazon for the stolen merchandise sold on  
20 the Medikus site to bank accounts he controlled.

21           59. The payments from Amazon for sale of the stolen merchandise by Medikus  
22 were proceeds of the stolen property offenses or funds derived from proceeds of the  
23 stolen property offenses.

24           60. Bobak and Balun used the proceeds they received from Amazon to  
25 purchase additional stolen merchandise to continue their criminal enterprise.

**D. *Shipment of Stolen Merchandise from the Storefront to Online Purchasers***

61. Daily, between 1:00 – 2:00 p.m., a U.S. Postal Service box truck picked up parcels containing stolen merchandise from the Storefront.

62. Bobak and others transported parcels between the Storefront and the Warehouse and from Bobak’s vehicle to the Storefront and the Warehouse.

63. Bobak and others loaded carts of packages onto the mail truck, from both the Storefront and the Warehouse.

64. United States Postal Service (“USPS”) records reflect approximately 165-287 outgoing packages from the Storefront each day between November 6-8, 2023. The return labels on approximately 399 of these parcels designated the sender as Medikus. The remaining 327 parcels had return labels designing the sender as Vitaly Bobak.

65. USPS records indicate that this volume of outbound mailing is within the range of what mail trucks typically collect at this location.

**E. *Shipment of Stolen Merchandise from the Federal Way Residence***

66. FedEx records reflect approximately 902 shipments from the Federal Way Residence between January 5, 2022 and September 26, 2023.

67. Of these, 895 parcels reflected Bobak as the sender.

68. The shipments appeared to go to individual persons at private residences. The shipments were all to addresses outside of Washington state.

69. Between March 14, 2022 and September 13, 2023, Bobak received 148 shipments to the Federal Way Residence, most of which were from shipping and package supply retailers.

70. Bobak frequently loaded and unloaded boxes between the Federal Way Residence and the Storefront and Warehouse.

//

# **VIII. SEIZURE OF THE DEFENDANT PROPERTY**

71. On or about December 19, 2023, HSI executed properly authorized federal search warrants at the Storefront, the Warehouse, the Federal Way Residence, and Bobak's Vehicle, where they seized the Defendant Property.

72. Also, on or about December 19, 2023, HSI executed a properly authorized federal search warrant at the Medikus registered business address located at 1271 120th Ave NE, Bellevue, WA 98005.

73. At the Storefront and the Medikus business site, agents found thousands of "Buy Tickets." These "Buy Tickets" listed the purchase intake person, such as "Vitaliy Bobak," "VB," Andrey Balun," "AB," etc., followed by descriptions of items purchased, total buy price, signed seller agreement, and a copy of the seller provided identification.

74. There were dozens of repeat sellers that were listed on the Buy Tickets.

75. A vast majority of products listed on the Buy Tickets were items not typically sold to pawnshop or secondhand dealers, such as OTC medications, dietary supplements, and health and beauty products. Further, the "items purchased" section was left blank on a significant number of the Buy Tickets.

76. Inside the adjacent Storefront and Warehouse, agents discovered rooms filled with boxes and shelving, some examples of which appear below:

a. The Storefront:

b. The Warehouse:

77. Some areas in the Warehouse were labeled with handwritten signs, reflecting "Amazon Posted" and "eBay Posted."

1           78. Work stations in the Storefront and Warehouse were set up to process and  
2 take photographs of merchandise, post merchandise online using a laptop, and prepare  
3 parcels for shipping. Some of these work stations were stocked with heat guns and bottles  
4 of “Goo Gone,” a product marketed to remove labels and stickers.

1           79. In the Storefront and adjacent Warehouse, agents also found a large number  
2 of packing and shipping materials, including boxes and envelopes, as well as parcels  
3 sealed and addressed for shipping.

80. Much of the shelving in the Storehouse and adjacent Warehouse held OTC medications and supplements, health and beauty products, appliances, and tools.

81. Agents also discovered rooms filled with boxes and shelving in the Federal Way Residence, some examples of which appear below:

1           82. Law enforcement conducted an inventory of the seized items from each  
2 location, with the assistance of investigators from several retail companies and an  
3 inventory team from WIS International (US Wal-Mart Operations).

4           83. All inventoried items were contained in their original manufacturer  
5 packaging in a new condition, as normally displayed in major retail stores. Each item  
6 contained a scannable Universal Product Code (UPC) to aid in the identification of the  
7 item and estimated retail value. The inventory team scanned each item's UPC barcode  
8 using handheld scanners. The scanning software was prepopulated with the inventory  
9 listing of the region's largest Wal-Mart store. If a scanned UPC barcode was the same as  
10 a UPC contained in the preloaded inventory listing the scanned item was recorded with  
11 an item description and Wal-Mart's listed retail price.

12           84. The inventory team scanned a total of 79,660 individual items of  
13 merchandise. Of that total, 39,633 items were identified by description and Wal-Mart  
14 listed retail price. The total retail value, based on Wal-Mart's retail price was  
15 \$1,015,685.18.

16           85. Items with UPC barcodes matching the preloaded Wal-Mart inventory  
17 listing were not necessarily stolen from Wal-Mart; the item may have been stolen from  
18 another retailer selling the item.

19           86. Representatives from CVS reviewed the items that did not match those in  
20 the Wal-Mart inventory listing and identified another 29,638 items from the scanned  
21 UPC's. The total retail value of these additional items, based on CVS's retail price, was  
22 \$1,245,790.31.

23           87. HSI conducted manual UPC searches of the remaining 10,389 unidentified  
24 items, using open-source online web searches and UPC search databases to identify those  
25 items. The items values were based on listed MSRP or listed prices from major retailers,  
26 if MSRP was not listed. HSI identified an additional 10,131 items, with an estimated  
27 retail value of \$215,326.38.

1           88.     Approximately 5,093 items were identified as products previously  
2 manufactured and sold by Medikus. These items are not considered as suspected stolen,  
3 are not included in the estimated retail value of the stolen merchandise and are not part of  
4 the Defendant Property.

5           89.     Approximately 258 items could not be identified through UPC and are,  
6 therefore, also not included in the total estimated retail value of the stolen merchandise  
7 and are not part of the Defendant Property.

8           90.     Unscannable items were returned to Vitality Bobak.

9 ***A.     Items Seized from the Storefront***

10          91.     The stolen merchandise seized from the Storefront includes more than  
11 9,200 items bearing identifiable product codes, with an estimated value of approximately  
12 \$325,140. The individual items are further identified, by UPC code, description, and  
13 estimated retail value (using the process described above) in Attachment A.

14 ***B.     Items Seized from the Warehouse***

15          92.     The stolen merchandise seized from the Warehouse includes more than  
16 67,000 items bearing identifiable product codes, with an estimated value of  
17 approximately \$1,981,000. The individual items are further identified, by UPC code,  
18 description, and estimated retail value (using the process described above) in  
19 Attachment B.

20 ***C.     Items Seized from the Federal Way Residence***

21          93.     The stolen merchandise seized from the Federal Way Residence includes  
22 more than 2,900 items bearing identifiable product codes, with an estimated value of  
23 approximately \$170,620. The individual items are further identified, by UPC code,  
24 description, and estimated retail value (using the process described above) in  
25 Attachment C.

94. As required by Supplemental Rule G(2)(f), the facts set forth in this Verified Complaint support a reasonable belief that the United States will be able to meet its burden of proof at trial. More specifically, there is probable cause to believe that the Defendant Property is forfeitable pursuant to 18 U.S.C. § 981(a)(1)(C) because it constitutes or is derived from proceeds of the Sale or Receipt of Stolen Property, in violation of 18 U.S.C. § 2315, and Transportation of Stolen Property, in violation of 18 U.S.C. § 2314.
